Re: GLASMC Fall Meeting, Competitions and Parade.

Illustrious Sir and Nobles all:

I hope everyone is enjoying a wonderful summer and is prepared to attend the fall meeting of GLSA and GLASMC September 13-17 in Springfield Illinois. You will find attached to this letter all the information necessary to register for competitions and the Awards Banquet. Information regarding the parade and parade rules will be provide by officers of GLSA in Springfield.

Our President, Bill Pike, has been ill this summer and we are a bit behind on our registration process. Please pass this information along to the motorized units in your Shrine asking them to respond by the deadlines listed or sooner if possible.

If you have any questions please use the contact information listed above. My cell phone is listed and the quickest way to reach me. You may email in your registrations forms and send the check or bring it to the meeting on Friday morning.

We look forward to a great Shrine time of fun and fellowship in Springfield.

Sincerely and fraternally yours,

Rick
Richard J. Elman
Secretary
